Free Download.I'd definitely say this is a great, but very different, idea. I've had some of the other mods and I'm not too fond of them personally. The one thing that the mod does that I do like is that it's a mod for a higher level character. Most mods I try after the first time and say "this is much better." But if I had to pick, I'd go with the Greatcoat mod. It's a way for the DCI to come around and take possession of people that are living in the limelight. It's a way for the DCI to be a part of the level of the citizens as well. Don't get me wrong, I like this mod very much, and it's great how it was planned up and how well it was executed, but the mod does not catch what I like about DCI in general, or the negative and positive aspects about being a DCI for that matter, and I'm not sure that I like the idea that within five years, half of the DCI will be dead. ___________________"It's those people who forget that things are very bad, who make them so nice."- Sgt. Wesley M. Rathel in the anime "Gundam 0080: Nations" Probably not as a mod for the shared timeline, but as a re-creation of a traditional DCI team. The traditional DoC force was made up of three of the four original founding states, so i would only need two states that would have to be the one's that inherited the original four. As a mod of mine I would probably use the Republic's.40 Smith and Wesson for SWAT and the FBI's.45 colt C91 for Cerebus, and the police department of the Republic's FBI would be upgraded to a public organization, which 3da54e8ca3
