

The screenshot displays a software interface for a Mitsubishi Lancer Evolution (CT) VIII. The main window shows a fuse box diagram with fuses labeled R1 through R5. A legend on the right indicates fuse ratings: 7.5 A (red), 15 A (blue), 25 A (yellow), and 30 A (green). A list on the left details the components for each fuse:

- Fuse 1:** Ignition coil, Ignition coil relay (15 A)
- Fuse 2:** Combination meter, Electric time and alarm control system (ETACS), SRS control unit, Engine oil level sensor relay, 4WD control unit, Vehicle speed sensor (25 A)
- Fuse 3:** Power windows (30 A)

The interface also features a search bar, a 'Fuses and Relays' section with a 3D model of the fuse box, and a 'Fault Codes' section. The website 'www.autotech4you.com' is visible in the bottom right corner.
