3D Air Hockey is the online version of the classic air hockey game you'd expect to see in your local arcade. Use the paddle to hit the air puck. To score a goal, you want to hit the target with the ball before other players in the area have potted or made a move that results in a tie. There are over 15 players in the game, so feel free to play in real time with friends or strangers. The goal of the game is to score as many goals as possible into the opponent's goal. The game has levels and you will need to earn stars for every goal scored. fffad4f19a
