Office 2016 Home & Student is Office 2016 Professional Plus for the desktop and mobile devices, offering customers the additional features of both subscriptions on one license key. Office 365 Home and Office 365 Personal are coming soon. Office 2016 Professional Plus for Windows is the latest edition of Office and is available in full retail and volume license editions for 32-bit Windows 7 and later. Personal 32-bit and 64-bit x86 editions of Office Professional Plus 2013 are Available for rent through Office 365 (www.microsoft.com/office/365/rent). These can be used on any device, including iOS and Android smartphones and tablets running on any Windows operating system, on which Office 365 Home is available. A: In 2020 you can install Office 365 Starter Edition for 5 users Office 365 would be a good option if you need the Office and need it all the time (because most services are cloud based), but have some limitations. Office 365 Starter Edition is the newest version of Office 365, and will give you 5 users, less than the Windows version, but it will give you the 5 users of the Windows version for the same price. The other difference is that there is no desktop version. It is a web browser version of Office for viewing only. If you need something that will run on a desktop then this would be great for you. And you can upgrade to Office 365 Enterprise to get an unlimited number of users. Office 365 is a subscription model, so you have to pay a monthly fee. You can use Office 365 Home for \$14.99/mo or Office 365 Business for \$24.99/mo There is also Office 2011 Professional Plus 32-bit and 64-bit for Windows 8.1 and Office 2013 32-bit and 64-bit for Windows 8, 7 and Vista You can also download software for free to get your free trial. The Xbox One is offered for 1 year, the Xbox 360 for 1 month. You can also try Office 2013 for 1 month. We found in working in homes and schools, we find that it is more than OK to not wash hands
