
Windows Server 2012 Is It Worth Purchasing? - Microsoft Community

. I found following link to download latest ISO files for foundation. . Message 6 of 13. Asp. The following tool images are set to Windows Server 2012 Foundation. Core Foundations Windows Server 2012. April 30, 2017 My Dell T110 server has a few windows 2012 foundation detections and it does not respond to any commands, if you can help or guide me on how to fix it I will very much be thankful. Thanks.. A: Like in your case, you can only download the iso when you have the windows server 2012 foundation right next to you. The file is downloaded through an http request and is in the.iso file. You can't download an iso without any access to windows server 2012 foundation iso file. Anyway, if you want to install the Windows Server 2012 foundation in a different way you can download the Windows Server 2012 vhd file and then you will be able to install the Windows Server 2012 foundation image. The link below gives you the Window Server 2012 foundation product key. You can use this key on the original image. Q: Problems with CV_Color_U I'm trying to convert image in OpenCV and after that use it in blob detection and me can't get a results with color "U" (uchar). I use this code: `vec_test = cv::Mat(image_test.rows, image_test.cols, CV_8UC3); cv::cvtColor(image_test, vec_test, CV_BGR2GRAY); vec_test.convertTo(vec_test, CV_Color_U); image_test.copyTo(image_test, vec_test); vector blobs; blobs.push_back(blobs_model.detect(image_test));` but when I check the image_test inside blobs_model.detect then I have Black background and I think I have to change some options for Conversion function (cvtColor) from BGR2GRAY to RGBA but I can't find it. Can you help me
