Jan 7, 2020 Digital marketing has become an inevitable part of a business, though the exact definition of digital marketing is still debatable. Digital marketing refers to any method of marketing where interactions between customers and companies are mediated by digital networks, such as the Internet, mobile phones or computer games. Digital marketing includes a wide range of activities, such as online advertising, marketing via mobile apps, and online community building, and use of digital media. Visit our digital marketing content! Use the search box above. Description: Release Notes. Version 1.
