It's time to stop blaming gay marriage. It's time to start working on getting gay marriage passed. It's time to start working on passing the ENDA, because this is no longer just about me, I can no longer stay in the closet. So I'm stepping up, and I'm stepping out, and I'm getting what I need, because I need to be the standard for my family, for my friends, for my community, and for my country. I need to be open about who I am, so that I can continue to work for the
