Six is a 2016 Indian Hindi language historical romance-drama film directed by Chandrakant Singh and produced by Siddharth Roy Kapur, Sanjay Leela Bhansali and Karan Johar. The film is the first instalment of the Six-part film, starting with 'Yaariyan' (2016). The film stars Ranveer Singh, Deepika Padukone and Anushka Sharma in the lead roles and revolves around the relationship of a prince and a commoner. The film was theatrically released in India on 25 January 2016. Synopsis:Siddharth (Ranveer Singh), a young man from a common family is abducted and imprisoned by the evil Chandu (Kunal Kemmu) when he was just a child. His abduction is one of the reasons Siddharth hates the aristocratic Chandu. Later, Siddharth and Chandu meet in prison and their hatred for each other intensifies. Chandu, a lieutenant in the British Army, has been sent to the Himalayan mountains to plunder diamonds from the local tribes, as a part of the process of decolonisation. Siddharth, who has been left in India under the care of his grandmother, is supposed to be working on a farm at the same time. Siddharth is forced to help Chandu in his nefarious deeds, but his life is endangered. Siddharth's sister, Alka (Deepika Padukone) is a doctor. Siddharth is rescued by an unexpected turn of events and reunites with his sister. He is shocked to find that Alka has married into the aristocratic Kaul family, a move which Siddharth resents. The Kauls have begun to suspect that Alka is the cause of Siddharth's sad fate. Siddharth is forced to learn from his past and the Rajputs about the caste system. He then has to change the way he lives his life, and ultimately face the consequences of his actions. The film also stars Rituparna Sengupta, Shweta Tiwari, Andria D'Souza, and Apurva Agnihotri. The soundtrack features music composed by Laxmikant-Pyarelal with lyrics by Gulzar. The original version released in Hindi and Telugu in 2016, while the international version (also available dubbed into Hindi and English) released in February 2017. Cast [Pooja Heg 2d92ce491b
