Elite Pianist VST VSTi AU VST3 X64 X86 V1.0.0 WIN MAC RETAiL

Elite Pianist is one of the best selling piano plug-ins available today. With new variants coming out all the time, new presets, new features and numerous improvements, Elite Pianist is still the best platform for modern and vintage piano sounds. Elite Pianist follows the latest sound design philosophy, and the new 6.0 update brings 4 new sounds: Piano, Electric Piano, Electric Organ and Electric Grand. We have added all these new sounds to the pianist tab, so that piano fans can easily switch to piano sounds, and . Elite Pianist is an easy, enjoyable and professional way of making your own piano samples or adding a unique style to your music. Elite Pianist has a large number of built-in effects such as compressor, delay, reverb, chorus and EQ. Stylistically, the built-in effects can be modulated by using the modulation wheel and the transpose function on the keyboard. Each piano string has a separate effect and it's easy to add an additional string. The easy interface allows you to customize

the pianist's appearance, assign effects to all or selected note, add effects to a selected string, assign a volume envelope or LFO, assign an audio channel, change the instrument's panning position or modify the piano's MIDI velocity. This piano plugin is the best way to create your own piano patches or add something unique to your tracks. You'll be sure to love the way it sounds once you find your perfect combination of notes, effects and mood. Feel free to contact us at info@analog-lab.co.uk for more information about Elite Pianist.
