
Portal 2 Beta Code

Information about Portal 2 from Valve, including trailers, screenshots and pre-orders. Portal 2 is an offshoot of Portal coming out this year. It promises more than in the first part, and we are ready to share with you the details about the project. This is a real surprise. Portal 2 is a completely new project. It will offer you completely new gameplay possibilities and sensations that were not available in the first part. Portal 2 is a game that can be played for many years. But it also has new features that allow you to play it again and again.
