The Black Box Arena allows you to find out if your opponents are cheating before the match. You can see if they are "fast-reloading" their weapons, reloading while their target is still alive, or attacking while they're under a healer spell. If you hit the "Black Box" button, you will see the World of Tanks Arena Hub, where you can adjust your settings for the Arena. You can disable "Fast-reloading weapons" if you'd rather not see your opponent reloading his weapon while he's still alive. You can also disable the "Auto-Attack while under Healing spell" setting to see if your opponent is attacking while under the effect of a healing spell. Additionally, you will see your own match history and your own Campaign Battles in the Arena Hub, under the "Match History" and "Campaign Battles" tabs. The Arena battles take place in time trials. If you defeat a large number of players while you're trying to reach a certain task, you'll earn bigger prizes. You can see your stats under the tab "Stats". Additionally, you can see how much you've earned for your team during the Arena. If you win 4 or more Arena battles, you will unlock the new "Heavy" tanks in the following days. As you complete your Campaign 3e33713323
