Nov 17, 2012 Vice City (GTA III). Why wont it load? An interviewer once asked if I was so bored after finishing GTA IV in such a short time that I had to go back to playing the good ol' days. The answer I gave was probably the best and most honest one I could have given. "I wanted to try something new. I love all the mods like the Heist mission and Wanted, but they weren't the same." What I didn't say was that I had a reason to go back. Before I play a game, I download and run the software that lets me mod and tweak things. Now that I had the modified game, I was excited to try modding (or tweaking the game as I like to call it) again. I wanted to try something new. I love all the mods like the Heist mission and Wanted, but they weren't the same. The other parts (like the loading times and the opening with the main character) were too annoying for me. The levels were huge and I wanted to kill people all
