
Fake Golden Virginia Serial Number

Bought £300 worth of golden Virginia from shops in Paphos harbor. brown is not good! if you have trouble opening the pack, it's fake. I have . 2 pounds and I can't find it in the shops in Paphos harbor. Anybody have? Or you can find others We do not buy from any stores. Even in small shops with a small circulation. We buy directly from suppliers. It is expensive, but we never experience any quality problems. I believe you are buying from a supplier who sells fakes. Maybe one of these dealers is selling copies they made for their stores.
