Native Instruments Kontakt 7 v7.10.5 - AUDiTOR utorrent?" "The sultan." "Look after my son." "It's all right." "Once you're free, come to me." "I shall find you." "I pray we do not meet

---

again, Khan." "The faith you have shown my son." "Allah be praised." "I trust you will find Allah be praised." "Now that Khan is dead... my son is with Allah." "God bless all of you." "This pleases me that you live in such great numbers." "I wish I could say the same for your leader." "He is an abomination to Allah." "For his betrayal of the one true faith..." "I will now spill his blood." "You have my blessing." "Finally." "Take them out." "Ugh!" "How's it going?" "This thing should have blown up by now." "The central chamber is still intact." "We found enough supplies to last us months." "That's good." "You did well." "And so did you." "The relief I felt in finding you." "We have to be out of here tomorrow." "After the storm clears." "It will." "Lydia, they took your son." "I know." "And that's what worries me." "The sinking of the Royal Katherine and the threat she poses to our fleet." "We have to leave

---

tonight." "And why not delay?" "The more time we waste, the more likely their friends in the city to find us." "Our friends can get us safely away from Istanbul." "We'll have a good chance of escape." "I have no desire to flee from our city." "But when we have a ship of our own, I intend to take a trip" "I know from experience they're all there." "Look at you." "You're
