What is the price? Me and another friend were wandering around in the middle of the night in a wooded area. We came across a figure holding a torch. It walked about and the 3 of us followed. It really was slow so it was easy to sneak up and attack it. The guy was just walking aimlessly and it wasn't attacking or defending. We got behind it and had it in our sights. We ran. Again in the middle of the night we noticed the light in the distance, but it moved in our direction. We jumped in the grass and ran. We ran for what felt like hours. As we ran and ran the light slowly got closer and closer.
