Kontol Afdhal Yusman

Closing 2019 with a perfect bulge by Afdal Yusman. In addition to studying various ontologies, UEA also implemented a number of ontological descriptions and created a reference book of the same name. Future releases recommend the concept of "functional description", which has a lot of drawbacks. For example, for some indeterminate ontologies, only one of the proposed ontologies is now used (while often they are too complicated to understand). UEA is a member of the prestigious International Institute for Advanced Mathematics (IGIM). More recently, the International Institute of Education (ITE), the University of Narragansett (NF) and others have also become members.
