## Minna No Nihongo Lesson 2650

English); in other languages dual genitives not only include two different ... What lessons does the study of Basque and other isolates give us for ... On the other hand, there is now considerable agreement that that certain language groups, including in some cases isolated languages, can be assigned to one of the following categories: 1) primitive languages (e.g., Basque, languages spoken in the mountains of central Europe); 2) isolated languages (such as Chinese, Basque, Nostratic); 3) polygenetic languages belonging to different groups; these are usually called
