Myke Cole, New York Times bestselling author of The Autumn Republic (starring Zared of House Taraboner,* and his latest, The Traitor Crown), returns with a new hero and an epic new story. The Crown of All Sinners, the first novel in Myke Cole's THE ASSASSIN HOOD BLOODBOUND series, is the story of Tom Morello (co-founder of Rage Against the Machine, the Grammy award-winning band that redefined rock music), his band, the PRIMAL FOLD, and the dark force that threatens their very existence. With his wife and young daughter far away, Tom leaves his newfound peace and contentment to once again bear witness to injustice and brutality. With the promise of redemption and the help of a new, young bandmate, he sets out to avenge the injustices of the past and remake the world in his own image. Cole has been hailed by Entertainment Weekly as "a raw and inventive talent" and by the Wall Street Journal as "the best writer of his generation in music." His previous bestselling series, The Lies of Locke Lamora, was the basis for the 2013 feature film starring Daniel Craig, and featured in the lists of the New York Times
