What's this? Nobody's Life An online game based on the plot of the movie of the same name (Steve Jobs is guessed in the main character). What will happen? The plot tells about one day in the life of the main character - Steve Jobs, the creator of the legendary "apple" computer, his life with friends and work. You have to trade on Wall Street and make profitable deals more than once. You will be able to have access to a wide range of things, including a wide range of Apple products that interest Steven so much. At the beginning of each game, you become the owner of a small firm, hired by its manager. Key features: Over 20 scenarios for your business that you can use to create your own products and services New base of Apple products Ability to create a store Ability to manage customer accounts and deposits and many other features What is "Contra"? Contra is a "market economy" in a computer game. Contra combines many genres from economic strategy to shooter, from puzzle to widget. Your actions in the game will be based on the purchase of goods and the provision of services. Unlike the traditional economy, Konra has economic laws such as supply and demand. Once you get comfortable with the economy of the game, you will be able to trade in real life. The economy of Konra is very similar to that of CS, except that you do not need to pay money to capture markets and open boutiques in Konra, but you can sell things for which
