## Button\_Set\_06 Icons

Contains over 100 icons that are easy on the eyes. Each icon is a handy size in order to avoid overwhelming the small screen. \* The set includes beautiful icons that are perfect for your applications.

- All icons are presented in the popular 512x512 pixel size and at least 32-bits color depth.
- All icons have the transparency control applied and are fully scalable.
- All icons are in PNG format.
- All icons are vector based (SVG) and can be easily edited using any vector based application.
- New icons are added on a regular basis.

Button\_Set\_06 Icons comes in PNG format which is ideal for PNG based applications. You can select and copy just the icons that you need. There are over 100 icons in the set. Each icon is a hand-drawn piece of art that is easy to use and to use. Button\_Set\_06 Icons features:

- PNG files
- ICC files
- ICO files
- Gif files
- SVG files
- BMP files

This set is designed to be used as a stand-alone set or to be used as a standard tool within your toolbox. \* "The icons look good and I use them in

---

my app. They are not all that easy to edit, as I am a novice with Inkscape. In my case, I generated them from a standard icon set and changed them manually. Also, I found that the icons are a bit too simple. I prefer more interesting icons." - "Button\_Set\_06 Icons is great." - "Icons set. Great job. Like most Icon sets. Buttons could use a little more of attention to detail." - "I want to thank you for providing a set of icons for our apps and web sites." - "I am a fan of the icons you provided. Would like to recommend that Icon Set to other developers. Thanks again for the great work." Button\_Set\_06 Icons is designed to help you create high-quality applications and websites. ## Change Log - 9 January 2012 - Fixed few cases of missing colors in the PNG files. - 17 August 2011 - New icons have been added and are available in both PNG and SVG format. - 12 April 2011 - New icon added. - 20 November 2010 - New icon added. - 19 September

**What's New in the Button\_Set\_06 Icons?**

- Icons have the following shape: Square, Icon,

---

Diamond, Cylinder, Rectangle, Round, Fan, Arrow, and Rounded Round. - Icons have the following size: 16, 32, 48, 64, 128, 256, 512, 1024, 2048, and 4096. - The size may be adjusted using the `icon_size` parameter. - The size of the icons are relative to the `icon_size`. - Icons are not supported in vector format. - Icons in this collection are optimized for interface design. - The width and height of icons are fixed for each icon. - Icons are not scalable. - Icons are not affine. - We recommend that the `icon_sizes` parameter be used to achieve the best performance.

More about PNG images: - Icons must be hosted in ICO format. - The default sizes of icons are 128 x 128, 256 x 256, 512 x 512, 1024 x 1024, 2048 x 2048, 4096 x 4096, and 8192 x 8192. How to use this icon set: - Use the `all_icons` parameter and `icon_sizes` parameter to replace the default icons with the icons in this collection. - We recommend that the `icon_sizes` parameter be used to achieve the best performance.
