## TAISHO X ALICE Episode 1 Free Download PC Game

DUALICE(TAISHO x ALICE EpisodeI) is a fabulous visual novel in which YOU must save your Prince Charming! The game is fully voiced in Japanese (except ...) and has no text. You can enjoy beautiful graphics and music, but unlike other visual novels, here you will encounter some problems in the form of dialogues. If you love this genre, namely visual novels, then you can skip this game. There is no plot here, and if there is, then you don't have to go through it to understand. You choose how the plot will develop, what events will happen to the main character, as well as his beloved.
