Creating games and software has never been easier or faster than with Clickteam Fusion 2.5! During the first hour, you will learn the basics. Creating games and software has never been easier and faster than with Clickteam Fusion 2.5! During the first hour, you will learn the basics of working in the program. Then you can create simple games. And for the next three hours you will be developing games using all the functionality of the program. The program not only provides you with ready-made templates, but also allows you to easily add your own themes, colors and textures, as well as animations, sounds and user interface elements.
