Fixel Detailizer 2 PS is a Multi Scale Detail Enhancer filter. The Detailer splits the image into 5 different detail scales to give you full control over... Fixel Detailizer 2 PS is a Multi Scale Detail Enhancer filter. The detailer splits the image into 5 different detail levels to give you full control over detail. This allows you to create separate layers that can be used for a variety of purposes, from adding detail to areas that need more attention. In this case, you can work with one layer without creating new ones. It is possible to create new layers for more detailed enlargement of the image.
