

May 13, 2021 - Use Revit software to create consistent, coordinated and complete models based on... Media, download or install from DVD9 or USB stick. May 16, 2021 - We are adding support for Windows 7 and later to Revit Server. In this release of the product, we have also added a shortcut feature to make it easier to integrate the Revit Architecture and Revit Structure modules, as well as the Revit Design, Revit Structure and Revit Earthing modules. May 28, 2021 - We've added the ability to download and install Revit Structure and Structure for Revit modules to the Structure client module.
