We've got to talk about this right now. We're going to talk about this. We're going to address this right now," Sheryl Sandberg, Facebook's chief operating officer, told the room full of company executives at a conference in Detroit on Thursday. In the wake of the mass shooting in Las Vegas, that call came after a company executive alerted her to the live-streaming platform Twitch, which has a huge audience of people watching video game competitions and gaming streams. Twitch users in the US and Canada had streamed the Las Vegas massacre live on the service on Wednesday, up until that moment. "We should be going there and doing a task force and figuring out how to close the gap between gamer and killer," she said. Earlier in the day, as the other executives at the conference -- mostly from Facebook -- began to talk about the shooting, Sandberg was largely silent. But she was shocked. Mintable are the only leaves to absorb the scent of mint.If you have a cough or a cold, the scent of mint can help clear your nose of mucus. Mint leaves have been valued as a cure for a wide variety of ailments and conditions. But the most widely known medicinal use of mint is for the treatment of sore throats, particularly at the start of the cold and flu season. Still, when you get a runny nose and a scratchy throat, a pinch of mint can clear your sinuses and take the edge off the pain of your throat. If you're really sick, you may feel better when you breathe in the fresh scent of mint because it can cleanse your lungs and clear your nasal passages. How to make it Put a few mint leaves in a glass of water and allow it to steep for a few hours. This can be done at room temperature or in a refrigerator or freezer. After a few hours, strain out the leaves
