### What's New In?

Clean Tabs is a personal desktop that will make you feel right at home, because it looks like your home. This theme is a collection of icons and widgets to show the time, the weather, the calendar and the desktop. You can have an appointment calendar, you can show the time and the weather and many more fun and useful functions to make your own home. This theme is made of mostly images and gifs, but with the same look of a desktop and the same stylish feeling as the category "Home". Keywords: \* Rainmeter \* Weather \* Weathercalendar \* Appointmentcalendar \* Calendar \* Icons \* Geometrics \* Icons \* Style Think Pink is a Rainmeter theme designed to be a pop-up. It contains 3 faces - pink, turquoise and yellow. You can choose which one(s) you want to display. It includes support for the new 'Choose Color' feature in the Rainmeter configuration. This allows you to input a custom color for each rainmeter section on the skin - use these colors as you wish to change the look of the skin. The background is also customizable - just specify the size and fill of your choice. Keywords: \* Rainmeter \* Color \* Colors \* Pop-Up \* Theme \* Theme Tweaks \* RGB \* Dimmer \* Clouds \* Dark \* Transparent \* Fixed \* Templates \* Setting One Button Launcher is a bright, clean, simple Rainmeter theme. It is a theme that will give you an extra button to use for launching any program at your convenience. Just imagine how you will feel when you hear a loud blast of a "dring". Just imagine how you will feel when you hear the sounds of your program opening and shutting. Just imagine having a countdown counter start counting down when you want to launch a program. Just imagine clicking a button to launch a program instead of searching all your applications to launch it. Just imagine the ease of adding programs to the launcher with a choice of pre-selected applications such as Internet Explorer, Google Chrome, any program that you have added to the pre-selected list. Simply click the button, launch the program and that is it! You have now added a program launcher. The One Button Launcher theme is also perfect for those that have many programs on their desktop. Keywords: \* Rainmeter
