If you can imagine yourself living in a Pokemon world, then, I'm afraid you can't do it. You will be battling for the sole survival of your species, it is a race to the finish and there is no place to hide. You will be shooting for the stars or more realistically, your bed. Despite the fact that you have a convenient magical flying carpet at your disposal you will be pushing yourself to stay on your feet and not fall into the pit that awaits your kind. The ground is uneven, your other Pokémon are fragile and you are all out
