How To Crack:

- **First of all download the file from the link**
- **Now extract the downloaded file by WinRAR.**

System Requirements:

All work and play takes place within the realm of a fictional medieval world, where magic plays a big part in everyday life. You will need a sound setup that can handle it, though we are fine with low-end laptops. While many of our candidates may only have 5 year old laptops, most of us are familiar with them because they've been around for 10+ years and we have access to the latest technology in the form of laptop racks, battery packs, etc. We are open to candidates who have a complete understanding of recording for the purposes of this audition.
