FIFA (from FIFA Seeding System) is the most popular and the best selling sports video game around the world. With over 250 million registered players, FIFA delivers over 400 million official gameplay experiences each year, across soccer, tennis, and other sports on Xbox 360®, PlayStation 3™ and Windows PC. Playing the World's Game FIFA is a simulation of real world football. The power of the FIFA Game Engine has been integrated into the core physics and advanced gameplay of the game, giving you access to the game's rich history and many classic options that simply weren't available on traditional game consoles. More options than ever before across every mode in the FIFA line-up – from the popular main mode, FIFA Ultimate Team, to solo campaigns, tournaments and more. FIFA comes with two new Ways to Play modes, and the power of the FIFA Game Engine is bringing the game even closer to the real thing. FIFA Ultimate Team and EA SPORTS™ FIFA Club Within FIFA Ultimate Team, fans will have access to hundreds of new items, the ability to create and share their own content, a massive range of authentic licensed player and equipment items and specialised gameplay modes. The FIFA Game Engine now has a built-in credit-based system, allowing you to obtain cards, coins and other items and continually expand your collection over the course of your game. The FIFA Ultimate Team Store will be changing the way that football is bought, sold and played. There will be a wide variety of unique player and equipment items available for purchase and trade with real footballers – more than any other digital football game in the world. Fans will be able to have a more authentic experience, with the ability to sign up to 25 favourite players and watch their items develop in match simulation, as well as take part in intense real-time auctions. FIFA Football Live and FIFA Ultimate Team Manager A new way to play FIFA Online will be launched this year as part of the FIFA Ultimate Team mode on both Xbox 360 and PlayStation 3. With FIFA Football Live, fans will get the chance to play FIFA 12 against real players in stadiums where FIFA is sold. No need to download the game or install anything, you will simply be able to play in a matter of seconds. The competition will be played in more than 3,000 fixed and mobile venues across Europe, North America and the Middle East. FIFA On Demand FIFA On Demand also offers fans
