Description: . · Download BhookhThe Hunger Of Body 2 Full Movie In Hindi 720pLawmakers and the public are reacting strongly this week to a Congressional

Budget Office report that says the Medicaid and Children's Health Insurance programs could be in jeopardy if Congress doesn't act. Texas Republican Sen. John Cornyn, a member of the Senate Finance Committee, said in a statement that the report found the government's health programs are "heading toward insolvency" without new federal funds. "If the Senate doesn't act this year, millions of Texans won't have access to affordable health coverage. If they do manage to avert that situation, they are still likely to see their taxes go up. We can't afford to let that happen," Cornyn said. "Unfortunately, the report's most sobering finding is that without substantial and sustained growth in federal funds — probably above the rate of economic growth and without any significant change in the rules of the programs — states would have to cut back payments to providers," he added. GOP Rep. Patrick McHenry of North Carolina released a statement saying "the American people should not have to shoulder all of the tab for Obamacare's massive expansion of Medicaid." He said the report makes it clear that the executive branch won't be able to implement the program without congressional action. "As we continue to suffer from \$50 oil and

massive job losses, the White House has been asking Congress to authorize \$2 billion in additional spending. Our country cannot afford to provide free healthcare to more people than live here, and we cannot afford to expand it without any changes in how it is funded," McHenry said. The CBO report says the federal government
