XVYHW. What I learned from you and other comments is that the whole industry has been deconstructed. The whole set of professional engineers and computer programmers have been thrown out. They don't know how to fix their big machines. And they have all been deserted. Put it this way. All the decision-makers and managers who were making the big decisions now they don't exist. Shown below are the most powerful men in the world, the presidents of America, George Bush, Barack Obama, Vladimir Putin, the Queen of England, and the emperor of Japan. Do you think that any of them can win a war against nature? As you see, they are weak. Because nature's power is so strong that it can defeat the atomic bomb, it can defeat the greatest military force in the world. It can defeat the nations who have nuclear weapons. So their power is actually nothing. They're actually nothing more than the slaves of nature. It's the King of nature who decides their fate, and they have no way to fight back. They can only decide to obey and worship the King, or

disobey and die! (2) Before you can enjoy the beautiful paradise of Hainan, you need to take all the basic preparations. These include: - Fully check the weather conditions, adjust the temperature and humidity as per your own needs; - Take a deep breath to adjust your breathing rhythm and make sure you won't suffer from any allergy; - Try to avoid the environmental pollution and bad smell; - Do not eat too much food for your meals, especially salt and alcohol will significantly affect your body's functions; - Make sure you are fully hydrated by drinking water at least 2 to 3 times a day; - If you are a fast runner or a thrill seeker, it is recommended that you wear your running shoes or hiking boots; - Do not stay up all night and find a comfortable place to rest in a calm, but warm atmosphere; (3) Perhaps you are thinking, how many years will it take for my body to recover? Or how much time will it take for my body to fully recover? In this series of exercise, you will find that it only takes an hour or so to fully recover. (
