Posts Tagged 'reviews' Well, I went out with my friend last night and listened to music and had a few drinks and then went home. My senses started to get a little fuzzy as the alcohol penetrated my body. When I got to my house, I found that I couldn't open the door; it was locked from the inside. I started to feel a little woozy so I took a couple of Advils. I didn't get any relief from the pain and headache so I started to feel angry and am pretty damn pissed about what happened. In my bedroom, I called my girlfriend to see what she thought and she advised me to not drink, called me a baby and hung up the phone. Seriously, how can a grown woman act like that? So I decided to share my predicament on my Facebook wall. I called her again but she didn't answer; I don't know what time it was but it was well after 3:00 in the morning when I called. I hung up again. I then started banging on the door. I thought about going downstairs to the neighbors and let them know what's going on. I tried to open the door once more, but the lock was on the inside. I got down on my knees and started praying. I then yelled at the door "Let me in you BITCH!!!" After that I pounded on the door even harder with my fist. After 5 minutes (which felt like
