#### **What's new in Fifa 22:**

- **Defender AI** - The new defending AI in FIFA 22 improves significantly under challenging circumstances, making it more realistic. In addition to making more successful challenges and winning more balls, defenders will now use their whole physical body to avoid the ball and track players. They will also play more aggressively and chase players as they run away from them.
- **Picking Players** - Use the new Player Radar to successfully pick your teammates for over 200 starting positions in any mode, or just drop your team out for a quicker experience. The Player Radar can also identify the perfect build-up play, and show pass lanes in the middle of the field for the player picking them.
- **New Player Integration** - Personalise your team in five different ways, including selecting your goalkeeper and defender to become a closer companion on the field. Try an emotion-packed, custom FM match by setting the match to Professional simulation, or fast-play a quick match or a hectic shorthanded match.
- **Visual Identity** - The first steps towards the FIFA look and feel of the next decade have been made.
- **Keyword System** - New metrics will show up on players for telling the world that you love Jose Mourinho and all other Power Concepts, including a new 'Style Dimension' that's all about how a player plays at the back.
- **Player Intelligence** - Call players out with the new Call-Ins command during live games.
- **Player Control** - Control the ball from anywhere in a free-kick situation.
- **Fifa 22's brand new Player Intelligence Technology** gives you the ball on the move in an instant, or allows you to perfectly create a situation to turn into a scoring opportunity.
- **Combination play** - Pass through trouble in the midfield and pull on the defender to create a forward pass.
- **Guiding and Advising** - Just tap the A.I. Player Pass Line to show a play where teammates are friendly available to receive the ball. Tipping can also make a play happen, adding a flavour to goalkeepers advice.
- **Checkfor Challenge** - Take on club opponents in daily and weekend FA competitions, including the UEFA Champions League.
- **Rivalry Football** - The UK's biggest league competition can be brought to any stadium in the world.

FIFA (or FIFA Soccer) is more than a game. It's the most popular sport in the world, with 90 million participants. FIFA continues to be the most played sport on both Xbox and PlayStation, and has already sold over 34 million retail copies worldwide. FIFA delivers real-life football action with unmatched accuracy of ball physics, spectacular player animations and the most diverse array of real-world leagues, teams and stadiums ever featured in a videogame. Whether you're a fan of and aspire to be like David Beckham, Lionel Messi or Cristiano Ronaldo or are simply enjoying the sport as a spectator, FIFA is the best game to play. FIFA 19 Opening Screen Player The Ultimate Team Experience In FIFA 19, with its roster of 90 playable teams, players are finally able to represent their club in both online multiplayer and local four-player matches. Players can also create 'Player thesaurus' player names from a roster of player faces, badges, kits and kits with numbers. Player the Ultimate Team Experience • More players. More teams. More chances to win. In FIFA 19, with its roster of 90 playable teams, players are finally able to represent their club in both online multiplayer and local four-player matches. Players can also create 'Player thesaurus' player names from a roster of player faces, badges, kits and kits with numbers. • Time-fueled success. Every gamemode, from Division to Championship, delivers measurable gameplay rewards - and rewards players with experience, coins and new players to create a winning Player the Ultimate Team. • The playmaker. The best players in the world dominate online play with a variety of tactics and styles. FIFA 19 introduces set-pieces as a way to orchestrate the action, and provides tools for new playmakers to shine. Playmaker. Set-piece specialist. Beating the opposition with set-pieces is the specialty of a playmaker. The new 'Ad Hoc' button allows players to lay a set-piece down without releasing the ball, granting them freedom to dictate play from the back. An improved system allows players to take possession of the ball as it enters the box, and the ability to flick the ball towards the goalie has been removed. • Overcome the mental barrier. The new 'Mentoring' mode aims to make players more
