little over half a century after the death of Sri Sarada Devi, the renowned hindu seer and saint, there is a new hindu seer born under the name of Raj Raj Giri, in the southern state of Kerala. And he is the latest revelation of the mysteries of a seer who seems more than a human being, but lesser than God. As with the case of Sarada Devi, his appearance is surprising since he is born in very orthodox state of Kerala. He wears a modest attire, and

prays quietly and sincerely at his small, single-roomed temple. What is even more surprising is that he has attained so much spiritual elevation after being in samsara. What

Bundles are a common style of package in the PC software industry. The bundle is a package containing a collection of software applications.
