HN: Better Than a Cheap Paypal Alternative? - springu I am looking for a new payment gateway that can handle Stripe integration and offers a built-in API for Stripe. Any suggestions? =====
tdicola I've been using Slimpay for a long time. It's a fairly well known provider that you can set up using their API and admin console. Their API is easy to use and as long as you keep up to date you won't have any problems. Their prices are reasonable compared to a lot of the other options out there. ~~~ springu Thanks for the suggestion! I'm actually not aware of Slimpay. I was looking around and found a few payment gateways that offer the features that I'm looking for, most notable are Braintree and Zip-
