Mitzi Laubenstein Executive Director 100% 2018 W1065: REQUEST FOR A WAIVER OF LAND USE REQUIREMENTS Status of the Application: Just when the silo has reached maximum capacity, city staff with the new sales center location in the works, has applied to the city for a waiver from the land use regulations. The applicant has stated that they have identified enough property for the facility and that there will be a buffer zone for local residents. Approved: Yes Appeal: No Motion to Disapprove: Yes Upon hearing the foregoing motion, the following was recognized by the Zoning Board of Appeals: That the applicant has applied for waiver of land use. That the subject property is zoned R-1-C. That land use is classified as permitted uses and uses which shall be permitted in C-1 zoning districts if the Board of Appeals also finds that the following criteria are met: 1. That there is a complete and comprehensive community facility planned in the area of the project, or that the residential community in which the project is to be located is
