How to install LSPDFR (LCPDFR) to GTA 5 PC, PS4, Xbox One LSPDFR (Liberty City Police Department First Responder) Mod is now available for GTA V on PC, PS4, and Xbox One! This mod brings a lot of interesting content and features to the game, which makes it a must have for any serious GTA fan. It's so much fun being a police officer in GTA V and having the chance to take part in different missions that span the whole of Liberty City, from small but very important and entertaining tasks to absurd and funny missions. As a true cop, you'll have to deal with a lot of situations and criminals. In order to do that, you have to be able to operate the different equipment that the Police Department has on hand. That's where LSPDFR comes into play. It allows you to use all the different gadgets of a police officer on a mission and on patrol, making it easier and more interesting for you to become a real cop. Of course, being a real cop also means that there are some limitations on what you can and cannot do. So, you'll have to deal with some restrictions if you want to play a real police officer in Grand Theft Auto V. But, that's all the more reason to install LSPDFR for GTA V, because in that way you'll be able to have full control over everything and enjoy the game to the fullest! LSPDFR (Liberty City Police Department First Responder) Mod is a fast paced, fun and exciting mod that is a huge upgrade to the original GTA V. The mod now brings in a whole new set of operations that allow you to do things that are not even possible in the vanilla version of the game. With the Police, you will now have new weapons and gadgets to use on missions and police operations, as well as a complete system of communication. The GTA V community is only getting better thanks to this mod and many other amazing mods out there. This is yet another game mod that deserves to be played, and it's definitely worth the download.
