Features Key:

- 25 FIFA Ultimate Team teams, featuring 300+ new cards, new play styles, brand-new kits and boots, existing cards like Camaras, and some never-before-seen cards.
- In an all-new Promotion Challenge mode, you are now the manager of a new football club, and each week you compete against other managers to climb up the structure, earn the right to play, and reach the top of the league. The competition is tougher than ever, and winning promotions is no mean feat!
- New artificial intelligence to showcase how the game makes decisions like when to use long passes, how to dribble past a defender, and when to shoot or pass.
- Improved pre-match tasks using the new "Passing" system - meaning that players are no longer able to automatically guess what you're going to do during a match - as your opponents have a better chance of adapting to how you play, and responding accordingly.
- A new ball, made from 50 percent carbon fiber, and one of the most detailed available in the series.
- Improved 3D player models, player animations, and environments.
- FIFA Ultimate Team with so much depth and variety, it's never been more rewarding to be a leader in the FUT Manager game.
- Dynamic Player Shape technology means more realistic movements and visuals.
- Real-life player likenesses for clubs in the 22nd season of the World's Game - Catrambuca, Chievo, Arsenal, Atalanta, Besiktas, Bayern, Basel, Boca Juniors, Borussia Dortmund, Club Brugge, Deportivo La Coruna, Ergotelis, Frosinone, Gent, Hoffenheim, Inter Milan, Lausanne, Lazio, Monterrey, Newcastle United, Nürnberg, Paris St-Germain, Parma, Saransk, Shakhtar Donetsk, Sporting, Stoke City, Toulon, Valencia CF, and Wigan Athletic.
- The "Allegri" Mercato system, which lets you upgrade to more expensive players by overspending by real-world funds in FIFA Ultimate Team.
- New Team of the Season feature based on the 🏆

Create the ultimate squad, train up your players, win Grand Challenges, and more in this all-new card collecting and trading game. This game mode unlocks new cards from packs that you earn during game play, as well as delivering new cards when you hit the big win. FUT Champion – Experience the pinnacle of FIFA Ultimate Team in this single-player game mode where only the very best footballers on the planet are allowed to compete. Play against the very best players in the world who have earned their spot in the FIFA Ultimate Team Champions Cup, including legends such as Pele, Maradona, and Ronaldo. World Cup Qualifiers – Compete against the best teams from around the world in the FIFA World Cup Qualifiers: Chile 2014, Brazil 2014 and Argentina 2014 – 2014 FIFA World Cup™, FIFA Ultimate Team Leagues – Win Leagues in FIFA Ultimate Team Leagues to earn new items in the game, including coins, packs, and players, making it easier to build your dream team Live Events Live Events are events you can play with your friends, FIFA Online users, and the entire world, including live matches and events at premier sporting events around the world. Live Events make going to a match even more fun, whether it's taking on a friend in a single head-to-head match, taking part in a friendly tournament, or competing to win in the FIFA Ultimate Team Challenge modes. Live Events also get you closer to the biggest, best, and most talented teams in the world. Events: Relegation – Determined by the results of the matches played in the FIFA World Cup Qualifiers, teams from the lower ranked divisions may be demoted to a lower division. Expansion – The FIFA World Cup Qualifiers offer up all possible spots for the next edition of the FIFA World Cup. Which qualifying division you qualify for is determined by your performance in the qualification stage. Relegation – Relegation is the process whereby a team relegates to a lower division. The team playing in the lower division will be replaced in the qualifying division by the team from the lower division with the fewest points. A team cannot be relegated twice in the same qualifier. The bottom two clubs (or, if still tied, one club) in a division will be relegated at the end of the qualifying stage. Expansion – Expansion is the process whereby a country joins a higher division,
