Stay close to the action with every conceivable technique to raise your game, enhanced with new techniques including dribbling, shooting and passing. More action packed even more furious FIFA® 22 incorporates advances in its gameplay systems to make matches more frenetic, more competitive and bring deeper connections with both sides of the pitch. As well as new ways to simulate how the ball behaves, free kicks now require more skill than before.

Increase the pace and scale in career mode FIFA 22 continues with the evolution of the previous FIFA title, with new game modes, features and the already-beloved MyPLAYER. Vibrant and intense matches In addition to updating the game to better simulate real-world patterns, the match engine is more reactive, with coaches more likely to give instructions and if they do, they'll set up new plays based on your performance. Your teammates will take to the pitch more dynamically and your opponents will engage with each other, creating a more intense and thrilling experience. Get off to a flying start Start your career in FIFA 21, and pick any of the 30 best leagues in the world to play in. You'll be confronted by a host of clubs and players with advanced tactics and new goals to unlock. Progress through successive seasons as the competition opens up. Get to the top to prove yourself on some of the most iconic stadiums in the world. High-octane dribbling and shooting Dribbling has been improved and now feels more organic, granting you more options, and teammates' positioning has been

altered in accordance with new game dynamics. New contextual dribbling animations have been added to really bring the experience to life. A defender's greatest weapon Gone are the days where a defender can just push you away from goal. This year, defenders now use a host of new and improved techniques to control and stop you, including more kicks and tricks to knock you off balance. FIFA is still that football experience everyone loves. Hey FIFA fans, Good news! Starting today, FIFA Social Club is available to download for Xbox One users in English and
