Features Key:

- Expanded depth of gameplay – the new animations and controls take dynamic football action to new heights. All-new offerings in shooting and dribbling give players an arsenal of diverse shooting options, and more open passes and pivots are needed when counters have to be planned quickly.
- Off the ball AI – with new targeted movement behaviours to track and anticipate pockets of space, ‘Ontouch’, and timed players will be forced on-side, players will get into tight spaces where they can use their speed, dribbling and skill to beat players with better ratings.
- More players, more tactical variety and secrets – more than 380 official and in-game players

have been added, and gameplay tricks have been designed to open up more in-game intelligence. There are now 8,500 total possible tactical formations at your disposal, and secrets provide visual hints to use on the pitch.

- An expanded Player Impact Engine - combine the most detailed player movement with new intelligent off-ball AI to create the most realistic football experience on the competition. With the more responsive, faster and more intelligent Player Impact Engine, the ball interacts in ways it never has before, the on-ball AI has been expanded and Player Impact is new and unique to the next-gen console experiences.
- New off-ball AI - off-ball movements such as dribbling, runs and intercepts are more complex and intelligent. Defenders have been trained to read your rhythm and take you on in new and different ways.
- AFC Pro Clubs - The most expansive showcase of real-world, licensed football clubs ever. AFC Pro Clubs now features more than 1,500 official teams, and more can be downloaded from the in-game marketplace, and can be used for both gameplay and an array of new additional features, including stadiums, kits and more. The Clubs more than 7,000 real-world tactics, formations and kits can be combined with an in-depth Ultimate Team community and Club Pro features that are launching alongside the game and will include opportunities to access early match access and rewards.
- Single Player Career Mode - Career Mode is now more intuitive, meaningful, and memorable than ever before, with new ways to earn more ratings and carry your journey forward, while an altered set piece system helps immerse you in the intensity of the big moments of a football game for the first time.

It's a game that will make you feel the live leagues, authentic stadiums, and the unpredictability of the game. You can create your own ultimate club, level up your skills, and play on all of the biggest stages in the world. Whether you play on your console or PC, iOS or Android, FIFA will always be accessible to every player. CONS There are some pros that were noted as well. The physics have been improved in that the ball comes off your foot more realistically. The key battle of the ball control felt great. The lack of a true off-the-ball pass control is not as noticeable as it once was. The live groups, packs, and cards also seem to be an improved feature from FIFA 21. What are the ratings? We do not reveal the details on the ratings for now.

What's new:

- **Career Mode - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.**
- **Skill Challenges - Fans can now go head-to-head in Skill Challenges, with a growing number of specialised challenges to fit footballing dreams. New to the game is the Career Skill Challenge, giving fans the chance to test their skills against a variety of tasks in a number of different Career modes. All come with rewards to match.**
- **Clubs - Careers can now take a step up and spread their wings with a brand new way to grow their club. Clubs gain experience as they make league and cup progress, and new ways for clubs to spend their cash have been added to keep Clubs making progress within the game. Club bosses now hold some new role-based management powers.**
- **Match Day - Fans can now easily set up and conduct their home or away matches in the game, using new match-day screens to incorporate a real-time player count for a full match preview.**
- **Live the Dream: Pro Evolution Soccer™ - Football 2016 coming to Xbox One on 4 September 2016 - The new Live the Dream sub mode, which was first featured in PES 2016, will be included in FIFA 22. Live the Dream is accessible from the main main menu, through the Community options or via the new Live the Dream Lite mode that will allow you to experience 20 classic matches based on the early rounds of the World Cup until the final.**
