Tip You can create a new document by pressing Ctrl+N (⌘-N) and selecting File → New or the New Document icon at the bottom of the panel. Then choose an available format, orientation, and resolution in the New Document dialog box. If you're creating a new document based on a template, you can either use the Filter | Blur | Gaussian Blur command to apply a blur effect, or you can apply a filter effect to the entire document. * The Blur tool, available

with the pencil tool, is located in the Tools panel. Click on the Blur tool to set your blur radius and then select an area of your image. Drag to create a new region in which to blur. You may have to do this several times to create the desired blur effect. Press the Alt key (Option-key on a Mac) to lock the Blur tool for precision editing. * You can convert an image into a Smart Object using the Convert to Smart Object command. * You can crop a portion of an image using the Crop tool, which is located in the Tools panel. Select the Crop tool and drag diagonally with your mouse to crop the image. # Putting the Image in Your Collection The easiest way to approach an image is to use a collection. You can either create one or choose a template to create a ready-made template from an existing

collection. * To browse for an image to add to a collection, click the Collection Bin at the bottom of the panel. Or, at any time,

The comedian went to the Priory Hospital in West London on Tuesday night, a day after he threatened to blow his brains out over a night out in London. On Wednesday, he was visited by his wife Katy Hill, who is being treated for drug addiction. In a statement on

Wednesday, the hospital said they did not think he was a danger to himself or to others. The hospital said that on Tuesday, Russell Brand had said he would "blow his brains out" and had been "depressed and agitated". He had been taken to the unit after becoming increasingly distressed following an altercation with his wife. Warning was ignored Russell Brand last gave a radio interview on Tuesday. On the Today programme, he said: "I'm going to blow my brains out. "I really need to go back to our lovely London flat and blow my brains out." He said there was something "wrong" with his "mind", adding that he had tried to kill himself in the past. 'Making noises' Mr Brand said he had spent the last six years in hospital and was tired of it. "I've been trying to give you the heads up, saying
