The Brutal Brilliant Logo is a simple but very effective logo that I created in Photoshop. The Brutal Brilliant logo is very versatile; it can be used in different applications or situations with just a few tweaks. Use this logo in your website, game, book, business, or any other application where you need an eye catching and memorable logo. This is a high resolution flat vector logo that can be scaled to any size without losing quality. Feel free to use the Brutal Brilliant Logo on your projects, but please credit me as the designer. You can download this logo as a Photoshop.psd file. If you'd like to get updated high resolution versions of all of my logos, feel free to download the Complete Brutal Brilliant Pack.
