Dagfinn Skoll Strand, the father of American indie rock icons The Beach Boys, which started life in front of a green screen, has died, according to a statement on their website. Dagfinn, or Dennis as he was more commonly known, passed away in the US on Thursday (12 July). The statement reads: "It is with great sadness and great love that we announce the passing of Dagfinn Strand, creator of The Beach Boys, on Thursday, July 12th 2017." "All of us at [www.beachboys.net](http://www.beachboys.net) and The Beach Boys present our deepest condolences and thoughts to Dagfinn's family at this difficult time. We will miss you, but will remember you always and forever." Dagfinn joined his brother Brian and drummer Alan Jardine as the third member of the band in 1960. He once said that he was a daydreamer, and that he dreamt about creating an art style that resembled more of a Magic Eye, or Optivisor effect than a traditional band. The band's first album, 1961's *Surfin' Safari*, contained themes of motor cars, surfing, and the American West. The band

has released 17 studio albums and 33 live albums to date. November 16, 2008 My new car has just arrived at the dealership, so we'll take our first test drive tomorrow! But before I go, I wanted to share some more pics from this week. We have a new bunch of characters here now so I felt a little like a zoo keeper, I hope you don't mind. ;) I still have questions about how the napping seems to be working. I mean, we think it's working. I'm guessing Luke needs to get used to it or something. But if I have to do it again, I won't.
