The only issue I found with this post was that it makes no mention of the NATIVE client for creating Spark jobs. The NATIVE client is bundled with Spark and can be installed using `apt-get install spark-client`. I recently had a problem where I was getting the following error when attempting to read one of my Spark datastores: 16/08/14 Machine Learning in Xodus Last year I covered the basics of Machine Learning in Xodus by Kristjan Kaas and Ralf Kappler. At the time I highlighted the challenges I had in combining Xodus
