S7's are generally good quality. Garcia 4 years ago The service was exceptional and the product was fantastic! I will be purchasing additional gadgets from SMARTYEAR in the future! Christine 5 years ago I just received this new laptop in the mail and it is awesome! Thank you so much. My friend was so impressed with it when I showed her. I will be sure to contact you in the future for more Luis 5 years ago the service was excellent, very pleased.

Some random guy 5 years ago in the time that i have used the unit i have had it fail on me twice (I'm using it as a DVD player so I'm not sure what else to say, if it fails to eject the disc it would make sense that it would eject the cover too). I think that that pretty much covers it all. I would like to give a good review but this system is not working for me so I'll end it here. M r D 5 years ago I ordered this product because I could have ordered two of them, but for the cost, I really couldn't justify it. Although the item is great quality, the returns policy is insane and despite sending an email stating that I would be returning it within 48 hours, I'm still waiting. I get another product, these folks have good quality but I cannot understand how they let people run a business
