HACK Microsoft Office 16 Word Excel PowerPoint x32 v16.0.9226.2114a year ago, we posted an article about how our source told us that popular visual representation software, illustrator, is being delisted from the Apple App Store because they refused to sell it to Apple, telling them to fuck off. The source told us there was a meeting between the two parties, where illustrator explained that they would not participate in any new App Store policy since it is their app that is being excluded. App Store technical support told them that was a no-go and after telling them to bug their lawyers, illustrator got the news that they are being delisted. There's still time for people to repurchase the app. The source has confirmed that illustrator has been blacklisted in a string of emails with Apple, so you can't even re-license the app in the future, so you
